

West Virginia State Police
725 Jefferson Road
South Charleston, West Virginia 25309-1698
Executive Office

Colonel J. C. Chambers
Superintendent

March 24, 2023

I join Governor Justice in sharing my deepest apologies to any female who was victimized by the hidden camera in the State Police Training Academy locker room. The Governor directed an internal investigation into this incident.

As part of the investigation, we are developing a timeline and working to identify all potential victims of this crime. All victims will be offered counseling and therapy services and we will also coordinate follow-up services.

The Department of Homeland Security is in the process of hiring an independent ombudsman, with experience in counseling and/or psychology, to be embedded with the West Virginia State Police so that our men and women have a trusted voice to go to for support going forward.

A handwritten signature in blue ink, appearing to read "Col. J. C. Chambers".

Colonel J. C. Chambers
Superintendent
