

Protest for Pluto

by: Hazel Williams

Facts

Check list to be a planet:

Orbits the sun ✓

Has enough mass to be round ✓

Has cleared its orbit of debris ✗

Pluto is a dwarf planet.

Hi! My name is Pluto. I'm going to tell you a story called Protest for Pluto. It all started at my house in the Kuiper belt.

No, you can't.

Hey Uranus,
can I
play?

Come on Pluto,
play with us.

He can't play with us. He's a dwarf planet.

But I can still play can't I?

I guess.

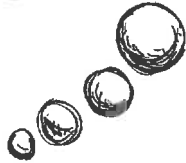

Meanwhile...

at school

Pluto should be a planet.

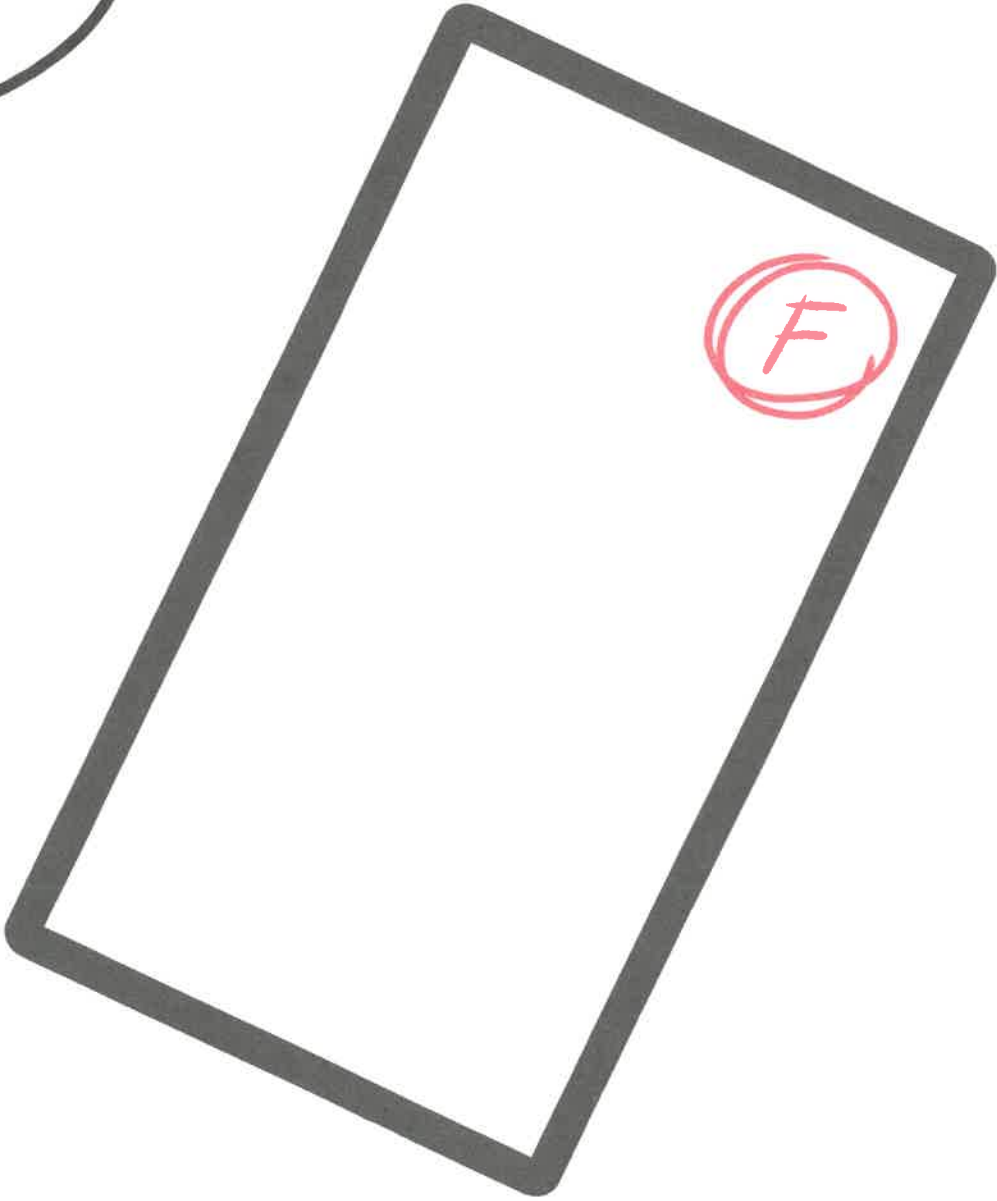

Maggie what is the biggest state?

Pluto.

Maggie, you got a
F on your history
test.

The next day...

Hmmm...
what should
my story be
about?

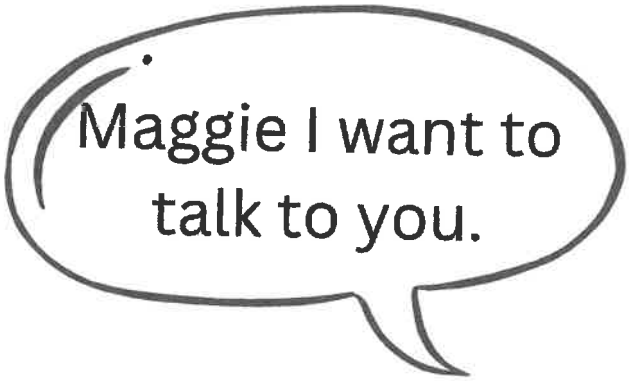

my BFF

It could be about Pluto?

Two weeks later...

Maggie I want to talk to you.

Oh no!

You won the book contest.

YES!

At home 2 hours later...

**Protest for
Pluto!**

**Protest for
Pluto!**

Huh?

**Protest
for Pluto!**

Come on guys !

**Protest for
Pluto!**

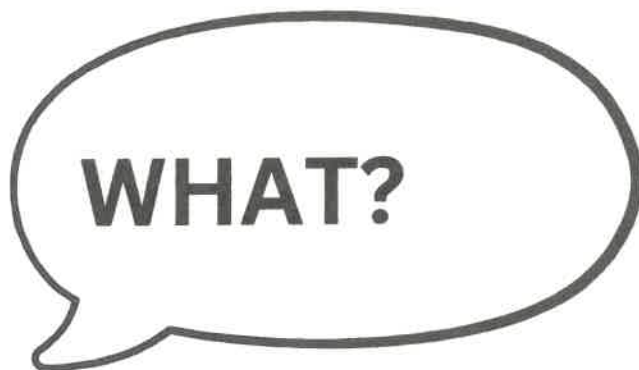

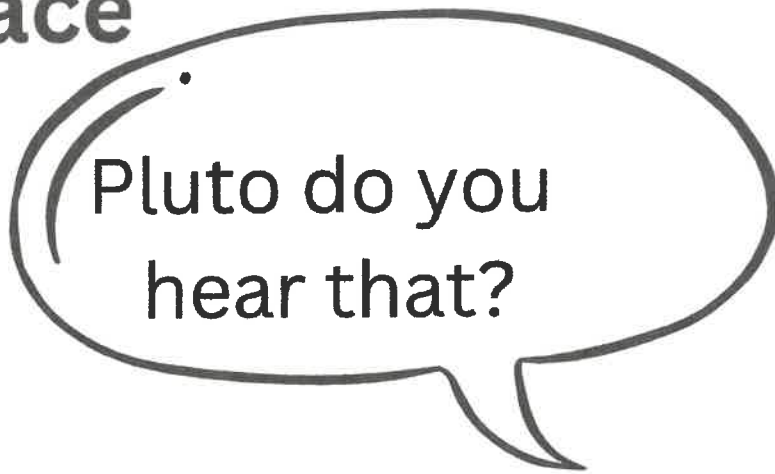

**Protest for
Pluto!**

**Protest for
Pluto!**

In space

Pluto clear your orbit then you'll be a planet!

Ok!

Two weeks later

Maggie we
have
decided
to make
Pluto a Planet.
Sincerely, Scientists

**Everybody Pluto is a
planet!**

THE

END
