RE: Clean & Clear Advantage, LLC Statement

In 2021, Clean & Clear Recovery Center employed Clifford Marlowe. The agency was unaware that the qualifications this individual provided the agency with were fraudulent. Mr. Marlowe exploited the challenges and disarray posed by the COVID-19 pandemic and the fact that we were a new facility, having only been in operation for six months at the time of his hiring. He deceived both the facility and his colleagues by providing false credentials and documentation, successfully convincing us all that he was fully qualified.

From the moment this deception was uncovered, Clean & Clear has fully cooperated with the investigation conducted by the West Virginia Attorney General's Office. Clean & Clear is a victim of Mr. Marlowe's egregious fraud, who targeted the facility at a time of great difficulty for us and the entire country, and we are working diligently to support state authorities in holding him accountable.

We want to reassure our community that the quality and stability of our services remain uncompromised. Clean & Clear has been a trusted provider of recovery services for many years, and we remain steadfast in our commitment to delivering the highest standards of care to the recovery community.

Thank you,

Clean & Clear Advantage Recovery
