Legislative Committees

(** Questions may require additional research)

1.Explain the purpose of each type of committee

·Standing

·Select

·Interim

·Conference

2.What are some issues considered by the Education Committee?

3.Why is the work of the Health and Human Services Committee important to youth in WV?

** Research – Exploring Committees -Which issues are important to you?

Go to the website for the [West Virginia Legislature](http://www.wvlegislature.gov)

Click on either “House” or “Senate” on the left side of the page

At that site click on “Committees”

Once you are on the “Committees” page explore some of the topics/bills being discussed by the members of the committees.

Be prepared to share your findings with the class including the status of the bills in the committee.

Be prepared to answer the question – “How would you vote on that bill?”
