Main Topic

Reflections from the
Student Reporters

(** Questions may require additional research)

Listen for the answers to these questions as the student reporters are interviewed by Eric Douglas.

1. Based on their experiences, how do the student reporters say their understanding of the legislative process has changed?

2. How do the reporters describe the legislative process?

3. How did the experience impact their future career choices?

4. What do the reporters say was their favorite part of the experience?

** Are you interested in a career in journalism? Research the different careers available in journalism (reporter, researcher, tech support, video producer, engineer, graphic design, etc.). Are any of them “right” for you? Why or why not?
