Starring: The Lazy Fruits

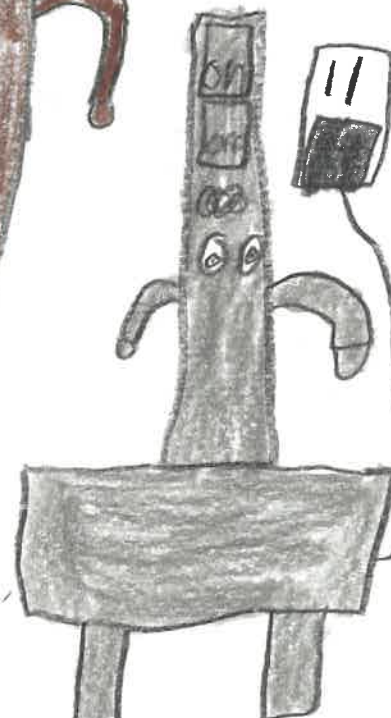

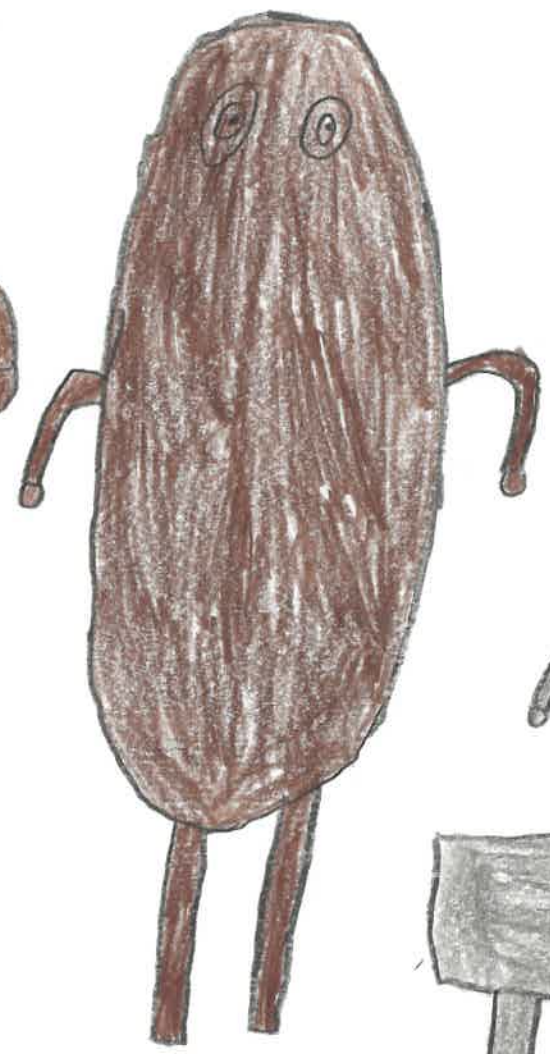

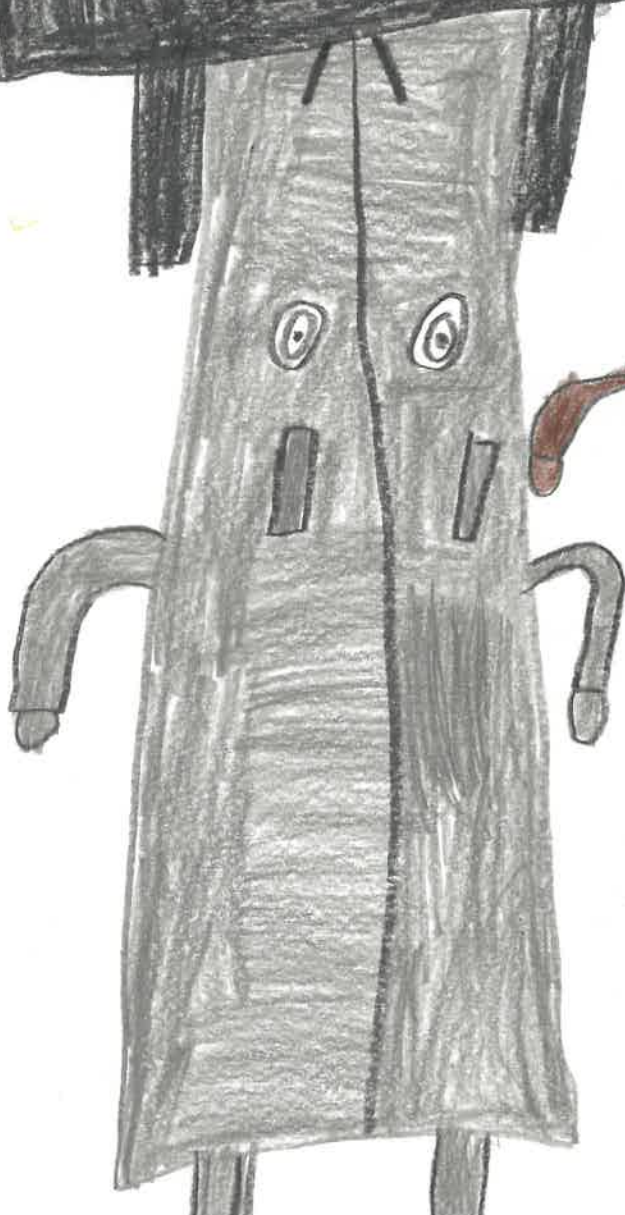

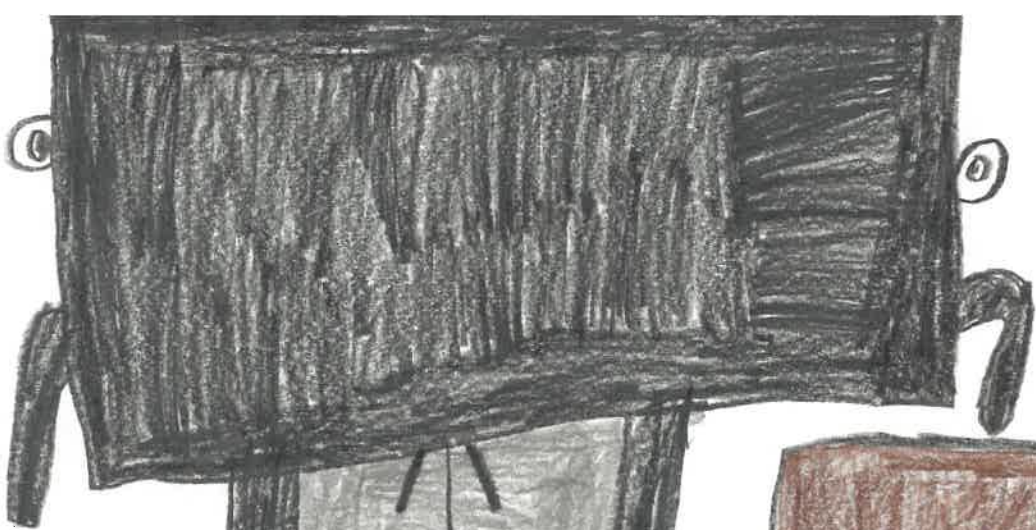

Emily and Maliki lived in
a red brick, two story house.

Inside the house there
was a brown oval table,
a brown door with a golden
knob, a grey fridge, a flat
screen TV, and an electric
vacuum.

When Emily and Maliki
would leave the house,
these "things" would start
to move.

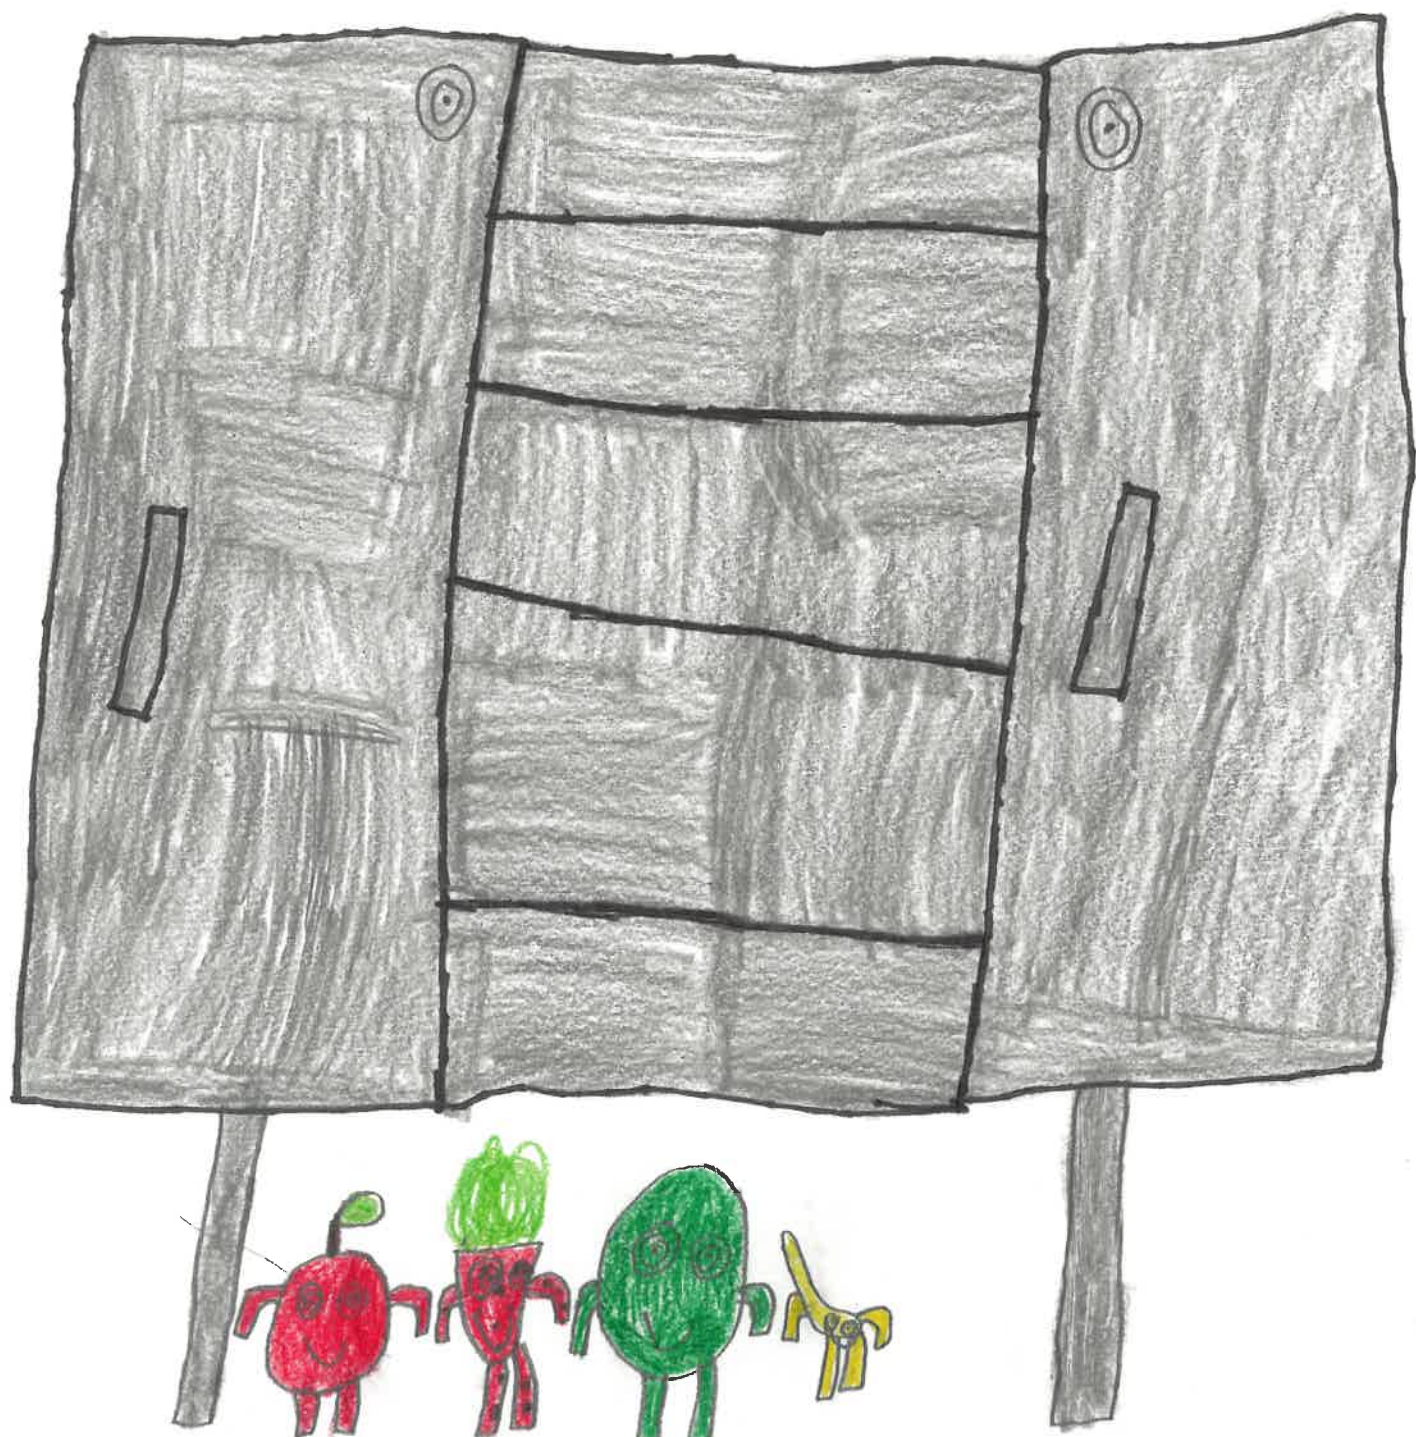

One day they started to
play the game Trouble on
the oval table. Door got
mad because TV was about
to win. He banged his
golden knob on the table.

Table shook and knocked
over Electric Vacuum. Dust
and cobwebs got all over
the floor.

Fridge bumped into the
wall, the door opened
and the "Lazy Fruits"
fell out.

Then, refrigerator looks
out the window and sees
Emily and Maliki pulling up
in their blue van.

The vacuum cleaned up
all the cobwebs and dust.

The "lazy fruits" climbed
back into the fridge.

All of "the things" moved
back to their spots. When
Emily and Maliki came in
the house they had no
idea what had happened.
