

The

were wolf

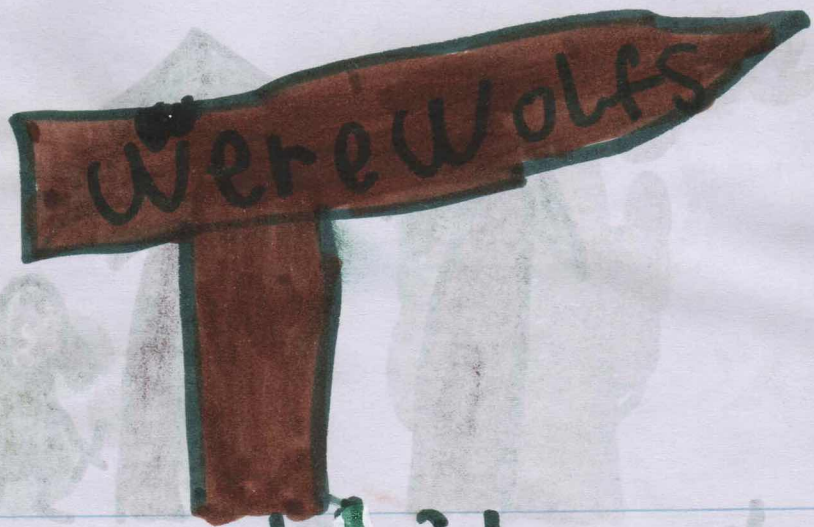

By Ripley

The day began  
on 2025 I was  
finally free.

Until Dark.

I couldn't see  
anything.

there were  
trees bigger  
than me.

I saw footprints  
and wolves.  
They wanted to  
eat me, I think.

I was so scared,  
I climbed up a  
tree. A wolf  
tried to eat me.

A Bear came to  
rescue me.

I watched the  
battle and  
watched and  
watched.

I hopped on the  
bear's back and  
the bear took me  
home. No more  
Woods for me!

I looked for my  
house high.  
The bear looked  
low.

Me and the bear  
walked through  
the swamp.

I climbed the  
highest  
mountains.

Finally I was  
home.

at the  
bear let out a  
big roar. I  
think that he  
was saying  
goodbye. the end

Before anything  
happened the  
bear let out a  
big roar. I  
think that he  
was saying  
goodbye. the end
